Unger and Madison are at it again! Florence Unger and Olive Madison, that is, in Neil Simon's hilarious contemporary comic classic: the female version of *The Odd Couple*. Instead of the poker party that begins the original version, Ms. Madison has invited the girls over for an evening of Trivial Pursuit. The Pidgeon sisters have been replaced by the two Constanzuela brothers. But the hilarity remains the same.

An uproarious behind-the-scenes comedy in the tradition of *Noises Off*. An unlucky troupe of actors desperately tries to put on a play in spite of meddling from the playwright. Will they manage to pull off the opening night without a hitch? Of course not! Don't miss this non-stop, mischievous backstage romp!

Anything that CAN go wrong, HAS gone wrong aboard the S.S. Amore, a not-so-luxurious honeymoon cruise ship. Captain Giovanni Della Robbia is trying to calm the passengers, with the assistance of cruise director, Gina. It's TALENT NIGHT about the Amore, and Gina recruits audience members to join in the competition. Just when it looks like the cruise won't be a total disaster, someone is murdered.
